

Hancock County Residents: Share your voice. Guide the community.

Host a Community Conversation

We'll bring the facilitator and note taker. Host in your home or at a location of your choice.

Our goal is to hear from 1,000 Hancock County residents by late summer of 2017. City and county neighborhoods, county villages and rural residents are encouraged to host conversations.

Schedule a group of family members, neighbors, friends, co-workers, church groups, service groups and more.
